THE DREAMER

Honoring
THE VISION

Dear Prospective Sponsor,

Two years have come and gone, but the dreamer lives on in each and every one of our lives. The Welch Family and the India Welch Ministries Legacy Committee, is preparing for the third annual ***“India Welch Ministries Unity Festival”*** in honor of the late ***India Nicole Welch***, who was an inspiring musical artist, entrepreneur, and author. This gifted and talented young lady was on the rise and making a difference in the community and abroad, when tragedy took her from this earthly place on August 9, 2015 to her final resting place, along with her two beloved sisters.

This Unity Festival was the divine vision of India. Her vision to bring together other talented youth, artists, community organizations, educational institutions and the faith based community as a platform to bring unity, awareness, and resources to a community which faces many challenges. India began the process of planning this event, and left the blueprint of her “vision” to unify the community in which she served faithfully. The IWM Legacy Committee would like to invite you to be a part of continuing her vision and keeping her legacy alive.

This event will be held on Saturday, March 17, 2018 at St. Petersburg College – Allstate Center located at 3200 34th Street South, St. Petersburg, FL 33711 from 11:00am until 4:00pm. Proceeds from this event will support the ***India Welch Ministries Scholarship Fund*** that will help economically challenged graduating high school students in Pinellas County, pursue their dreams.
